HAND CRAFTED BY AUSTRALIA’S MOST AWARDED LUXURY MOTOR YACHT BUILDER
NEW GENERATION CRUISING

EDITION 16.1
RIVIERA SPORT YACHT COLLECTION

Riviera's stylish and sophisticated Sport Yacht collection is inspired by the changing values and lifestyles not just of luxury motor yacht owners ... but of people everywhere.

These changes are reflected in such domains as contemporary architecture, interior design and the styling of prestige motor vehicles to the point that relaxed comfort and real practicality have taken the place of outdated traditions and sometimes ostentatious and impractical features.

Such was the thinking behind the Riviera Sport Yacht collection where clean lines, innovative lifestyle designs, rich interiors, proven technology and an emphasis on relaxed entertaining are perfectly blended with Riviera's legendary sea-keeping capabilities and spirited performance.

With its renowned and highly awarded ethos of excellence, Riviera is driven to put more pleasure into your pleasure boating. As you will discover, this commitment is expressed in many ingenious ways throughout the Sport Yacht collection.

It's all part of what we like to call: 'the ultimate boating experience'.

RIVIERA 3600 SPORT YACHT — NEW GENERATION CRUISING

Style and good taste may be hard to define ... but you instantly recognise it when you see it.

At every turn, the 3600 Sport Yacht truly epitomises and expresses the excellence of Riviera.

Everything about the 3600 Sport Yacht is designed to make your boating easy, relaxed and fun.

From the carefully considered layout to the luxurious fit and finish of the finest of detail — and right through to the state-of-the-art technology at the helm — everything blends beautifully to ensure your precious time afloat is always a sheer pleasure.

If you are in search of a luxury motor yacht that captures your heart and inspires your soul ... your search is over.
The clever cockpit design of the 3600 Sport Yacht is an idyllic and indulging environment to share leisure time with your family and friends.

Of course, style goes beyond looks in that it is functional, as well as fashionable.

The cockpit features considerable storage, cleverly concealed yet ensuring everything is right at hand when you need it.
SAFELY FORWARD

The forward deck of the 3600 Sport Yacht is an inviting retreat where you can soak up the sun, work on your tan or simply drink in an amazing view.

Making your way forward is easy and safe — especially for children and pets — with wide side decks, high bow rail and thoughtfully placed hand rails.

The large sun pad on the forward deck is cushioned and upholstered by our master craftspeople for comfort and durability.

You’ll also find the proven anchoring system and ground tackle cleverly concealed in deep anchor lockers, yet very accessible when needed.

FEATURES, INCLUSIONS AND OPTIONS

Deck Overview

- Wide walk-around side decks with raised bulwarks and stainless steel hand rails provide safe and confident passage forward, especially for children and pets
- Bow rail in marine grade stainless steel, highly polished with mid safety wire, including flag staff and burgee
- Large, cushioned and upholstered sun pad with stainless steel rails, drink holders and cover
- Anchor with galvanised chain
- Vertical anchor winch with overload protection to suit rope and chain, operated via plug-in remote control and mounted chain counter at the helm
- Anchor safety strap
- Heavy duty bow roller is made of stainless steel and is self-loading through the bow sprit
- Anchor chain chafe plate protects the bow sprit
- Anchor lockers provide access to the anchor chain, rope storage as well as saltwater wash-down tap
- Cleats are 9.5” stainless steel (4x) — curved (2x) and pop-up (2x)
- Moulded non-skid gelcoat deck surface
- Gunwale rail is impact and UV-resistant, white PVC with stainless steel insert strip
- Enclosed hardtop — GRP with toughened glass on four sides
- Front windscreens in black breezeway
- Optional spotlight mounted on the hardtop with remote control to the helm

Please refer to your Riviera dealer for a detailed list of current inclusions and options for this model.
One of the most striking features of the 3600 Sport Yacht is the large awning window that opens out from the saloon to create the ultimate alfresco experience.

The fact the gourmet galley is located on the same level as the cockpit and saloon also means that the chef remains right in the middle of the party, enveloped by an amazing sense of light and space.

At every turn you will find Riviera ingenuity — real boating knowledge and careful consideration for how our global family of Riviera owners actually enjoy their yachts.

The 3600 Sport Yacht has all the comforts of home and again and again you’ll find yourself saying: “Now that’s clever ... that’s thoughtful ... that’s very well finished.”

That’s why you’ll also find yourself saying: “I want a Riviera Sport Yacht!”

**FEATURES, INCLUSIONS AND OPTIONS**

**Galley Overview**
- Built-in cabinetry in with cherrywood satin varnish and positive locking hardware, drawers with stainless steel runners
- Solid surface bench top available in a range of colours to suit your personal taste
- Stainless steel sink and premium tapware, with drainboard and lid
- Recessed single element electric cooktop with cover and automatic shut-off, powered of shore power
- Large refrigeration drawer with freezer compartment located under the bench
- Premium microwave oven powered off the inverter
- High quality, hard-wearing timber pattern flooring
- Overhead LED lighting
- Optional galleyware package, includes cutlery, dinner set, napkins, kitchen towels, medium tumblers, large tumblers, goblets, champagne flutes, salad bowl and server

**Saloon Overview**
- High quality, hard-wearing Kentucky Oak timber-patterned flooring for practicality in terms of wet and sandy feet.
- Cushioned and upholstered headlining
- Overhead stainless steel hand rail for safe passage through the saloon
- Large L-shaped lounge with deep cushioning and upholstered in premium leather, with storage underneath
- Two sliding hatches overhead for cross-ventilation
- Sliding side windows open easily for additional fresh air
- Large awning window opens out and over the cockpit, inviting the outdoors in and creating a free-flowing feel from boarding platform through to front windscreens
- Companionway steps feature plush pile carpeting with soft underlay
- Optional saloon dining table with slide-in/slide-out mechanism
- Optional air-conditioning to the saloon and galley
- Entertainment to the saloon is via a large flatscreen TV which folds out for viewing and premium audio visual system with two speakers to the saloon
The feeling of being in control at the helm of the 3600 Sport Yacht is magnificent. For a start, you have a clear, sweeping view.

The moulded dash — reminiscent of a luxury European car — displays all the instruments and controls in the most considered fashion. Even those new to boating will find the 3600 Sport Yacht is a remarkably easy yacht to handle.

FEATURES, INCLUSIONS AND OPTIONS

Helm Overview

· Premium cushioned double helm seat with leather upholstery to complement the dash
· Helm console with twin-lever gear throttle, joystick and engine instrumentation
· Luxury sports-inspired leather-wrapped steering wheel
· Moulded footrests for comfort or bracing in a seaway
· Navigation – Volvo Penta Multi Function Display, GPS (19x), GSD24 sounder with B744 through-hull transducer
· Volvo Penta Multi Function Display for engine monitoring
· Safety monitoring panel for bilge pumps, sump pump, navigation lights, engine room lights and high-water alarm
· VHF radio with aerial
· A deep storage cabinet is located beneath the dash, which also has designed-in access to ensure easy and efficient servicing
· Anchor chain counter
· Compass with light

Electronics

· A comprehensive range of factory-fitted electronic packages and custom features are available with everything from radar to underwater lights. Your dealer has full details.

PLEASE TAKE COMMAND

Please refer to your Riviera dealer for a detailed list of current inclusions and options for this model.
**STEPPING BELOW**

The 3600 Sport Yacht’s accommodation deck is very inviting in terms of creativity, practicality, luxury and finesse.

Both staterooms feature Riviera’s hallmark carefully crafted cabinetry, which features matching and perfectly aligned wood grains for added appeal and polish.

It is this pursuit of excellence in detail, finish and design that will make your boating experience the best it can be ... and makes the Riviera 3600 Sport Yacht the finest in her class.

---

SPOIL YOUR GUESTS

Natural light filters into the aft guest stateroom through long hull windows featuring tinted and tempered glass.

To port there is an adult-sized single bed with convenient storage underneath, as well as an opening porthole for fresh air.

Athwartships is a double bed with a thick foam mattress.

The headlining has soft cushioning, premium upholstery as well as LED lighting.

Please refer to your Riviera dealer for a detailed list of current inclusions and options for this model.
Riviera is at the forefront of a marine propulsion revolution, having now launched almost 500 pod-driven luxury motor yachts.

Pod-drives are used on such worldly form vessels as the Queen Mary II cruise ship as well as large-scale commercial craft. This proven technology is now revolutionising pleasure yachts.

Offering an excellent power-to-weight ratio, pod-drives deliver exceptional performance, enhanced torque, impressive fuel efficiency, simple maneuverability, low environmental impact and quiet operation thanks to underwater exhausts.

In simplified terms, Volvo Penta’s innovative Inboard Performance System (IPS) features twin pod-drive units, each of which is capable of turning independently to provide the correct thrust to move the yacht in the exact direction required by the skipper easily controlling the system with either a steering wheel and throttles or a joystick.

The 3600 has a joystick at the helm so a skipper, either solo or with a novice crew, is able to simply push and twist the joystick and the yacht will respond immediately, pivoting in place or tracking sideways into a berth that’s just long enough to fit the yacht.

IPS also has the scope to enable the convenience of Auto Pilot, manual trimming with optional Trim Assist, as well as a highly-efficient Anti-Corrosion Protection (ACP) unit mounted to the transom to reduce maintenance of sacrificial anodes. The innovative Dynamic Positioning System (DPS) is also an option for simple yet effective station-holding while preparing lines and fenders or while waiting off a fuel jetty.

The 3600 Sport Yacht’s three-blade nibral, forward-facing, counter-rotating propellers are protected by the premium anti-foul coating PropSpeed to achieve a long service life, as well as 316 marine-grade stainless steel line-cutters from Volvo Penta, for protection from ropes, fishing lines, plastic bags or nets — these precision-made line cutters create a very efficient rotating cutting action without increasing drag or fuel burn.

The 3600 Sport Yacht employs the revolutionary Volvo Penta D4-IPS400 propulsion system with twin D4 diesel engines and IPS10 pod-drives (2x) 221kW/301hp.

All batteries on board the 3600 Sport Yacht are maintenance-free to ensure carefree boating and are housed in special battery boxes in accordance with American Boating and Yacht Council (ABYC) and the European Union’s CE industry standards.

The 3600 has two starting battery banks comprising one battery per bank for the port and starboard engines. The house battery bank comprises two batteries, and there is one battery in the auxiliary bank. An emergency parallel function between the batteries provides increased reliability, just in case you are ever faced with a flat start battery bank.

All battery banks are isolated in the saloon by remote-operated battery switches.

The Mastervolt inverter provides power to the TVs and TV-lifters.

LED lights provide trouble-free boating while reducing electrical current draw. The lamps use less than 10 per cent of the power required to run a bulb lamp — no bulbs mean no maintenance and long service life. Additionally, Residual Current Device/ Ground Fault Circuit Interrupter (RCD/GFCI) provides protection over the entire yacht and also complies with ABYC and CE standards for safer boating.

Riviera is recognised as being at the forefront of the luxury motor yacht market and proudly stands behind the easy-to-use systems and technology onboard its world-class designs.

A 5-year limited warranty on all Volvo Penta systems is now standard with every new Riviera and covers Volvo Penta helm stations, steering and propellers as well as major componentry of their high performance drivelines and fuel-efficient engines.

Available worldwide, this extended warranty complements the Riviera 5-year limited structural warranty and provides even greater peace of mind for our valued Riviera boating family members.

Riviera Family members enjoy exclusive invitations to fun-filled social and boating education events, inspiring cruising experiences as well as special offers on genuine parts, electronics and our premium Riviera lifestyle collection.
FEATURES, INCLUSIONS AND OPTIONS

Electrical Overview
- Batteries (maintenance-free) — independent port and starboard start (total x 2), house (2x) and auxiliary (1x)
- Battery banks individually isolated
- Mastervolt battery charger — automatic 70AMP/12V DC
- Battery paralleling system for emergency engine starting
- Electrical control centre with AC/DC back lighting, thermal/magnetic circuit breakers, voltmeters, alarms and hour meters
- Engine room lighting DC
- Mastervolt inverter provides power to TV and TV lifter
- Navigation lights (international standard)
- Wiring coded, numbered & assembled in looms to ensure trouble-free maintenance and repairs

Please refer to your Riviera dealer for a detailed list of current inclusions and options for this model.

ENGINEERING EXCELLENCE

Access to the flow-coated engine room — with acoustic and thermal insulation and LED lighting — is via a deck hatch from the cockpit. It’s here that you will really begin to appreciate the careful consideration for which Riviera is renowned globally in terms of its engine rooms.

The impressive commercial air intake system helps to keep the engine room temperature well below the engine manufacturer’s formal recommendation, reducing fuel consumption even further.

Three automatic bilge pumps with manual override are located at various points throughout the hull and also pump directly overboard.

Please refer to your Riviera dealer for a detailed list of current inclusions and options for this model.

FEATURES, INCLUSIONS AND OPTIONS

Engineering Overview
- All through-hull fittings on or below the waterline are fitted with ball valves and all hoses are double-clamped
- All metallic hull fittings below the waterline are bonded to zinc anodes, including galvanic isolators
- Bilge pumps with automatic and manual override (x3)
- Anti-vibration engine mounts
- Fire suppression system for the engine room with automatic and manual controls
- Three portable fire extinguishers
- Fresh water heater — AC and heat exchange
- Fresh water system (pressurised) with dual water tanks, total capacity 390 litres (103 US gallons) with gauge in the galley
- Fuel filters/water separator for engines (and generator if selected)
- Fuel lines all swaged
- Fuel shut-off valves with emergency remote to the cockpit
- Fuel tank gauge at the helm
- Fuel tank, GRP and coated in fire-retardant flow-coat, 800 litres (212 US gallons)
- Holding tank capacity 80 litres (21 US gallons)
- Sanitation system with switch at helm for overboard pump-out and deck fitting for dockside pump-out. Tank monitoring system is located in the day head

Please refer to your Riviera dealer for a detailed list of current inclusions and options for this model.

IMPECCABLE PEDIGREE

The confident poise of the 3600 Sport Yacht is just as evident offshore as it is at anchor — her solid and robust hull is the evolution of our rich 36-year heritage of building over 5200 world-class luxury motor yachts that are proven in the often challenging Australian offshore conditions.

Every Riviera built at our world-class facility on Australia’s Gold Coast combines superior-strength hand lay-ups with a watertight collision bulkhead forward and independent compartments throughout the hull.

Our legendary build quality also features vinylster resin in the outer layer of lamination to increase the ability to withstand water absorption. An isophthalic gelcoat exterior provides an impeccable and hardwearing surface finish.

From the waterline down, the hull is solid GRP with reinforced bottom, keel and chines. Structural core material is used in the hull flanks, main deck and hardtop, while precisely fitted, lightweight resin transfer-moulded small parts have a double-sided gelcoat finish and are pre-fitted for a perfect seal when all major components are bonded together.

Riviera only uses 316 marine-grade stainless steel in all our exterior fastenings. All stainless steel rails feature ground and polished welds to ensure a consistently smooth and mirror finish.

Our designers have also placed a firm focus on convenient access to every key maintenance point so any issues can be quickly identified and addressed, and service costs are kept to a minimum.
Limited Express Warranty

Riviera Australia Pty Ltd. A.C.N. 139 663 906 (Riviera) makes this Limited Express Warranty (Warranty) to the original retail purchaser of a vessel manufactured by Riviera, provided the vessel is purchased from an authorised Riviera dealer and said first retail purchaser registers this Warranty with Riviera within 30 days of the purchase. This Warranty is the only warranty provided by Riviera, express or implied, with respect to any vessel manufactured by Riviera.

Five Year Limited Structural Warranty:

Riviera warrants to the first retail purchaser that for five (5) years after the date of delivery to the first retail purchaser, and for the period before it is delivered to the first retail purchaser, that the hull, deck, flybridge and hardtop shall be free from structural defects due to material or workmanship, under normal non-commercial use, that result in any delamination or separation of the stringers or composite structure.

A structural defect includes the following:
- Structural failure of the fibreglass hull, deck, flybridge and hardtop
- Structural failure of any parts glassed onto the above components, or
- Structural failure of the joints between any of the above components.

The structural warranty does not apply to the following:
- A water leak through the joints between the hull, deck, flybridge and hardtop
- Fibreglass small parts failures
- Parts that are not manufactured by Riviera;
- Interior failures, window or hatch failures
- Damage resulting from misuse, abuse, negligence, improper docking, alteration, vandalism, accident or lack of performance of normal maintenance
- Any charges incurred by any vessel returned to the factory, dealer or authorised agent for inspection prior to authorisation of warranty repairs
- The cost of removal or reinstatement of a part, or disassembly or reassembly of the unit of which it is a component
- Heat and/or sun damage to the hull and/or gelcoat on hulls that are painted a dark colour
- Owners other than the first retail purchaser, or in relation to the hull only, subsequent owners to whom the structural warranty of the Hull has been validly transferred in accordance with this Warranty
- Any vessel sold to the first retail purchaser by anyone other than a Riviera dealer listed on http://riviera.com.au on the date of the purchase (Authorised Riviera Dealer), or
- Any item which Riviera has not been notified of within thirty (30) days of the issue becoming apparent.

The above list is not intended to be exhaustive and Riviera may, at its absolute discretion, elect to refuse any warranty claim whatsoever.

Vessels that go into a syndication or shared ownership program are entitled to the standard five-year structural warranty, subject to fair wear and tear on the vessel.

Transfer of Structural Warranty:

In reference to the structural warranty of the hull ONLY, Riviera may agree in its sole and absolute discretion, to transfer the hull warranty to a subsequent owner of a vessel, who purchases the vessel from an Authorised Riviera Dealer, upon application and payment of a $1000 Australian dollar transfer fee. Such transfer will only be effective upon confirmation in writing from Riviera. Where Riviera does approve the transfer of the remaining term of the hull warranty to a subsequent owner in writing, then such hull warranty will be transferred for a period of not more than a total period of five (5) years from the date an Authorised Riviera Dealer first delivered the vessel to the first retail purchaser.

One Year Limited Non-Structural Warranty

Riviera warrants that for one (1) year after the date of delivery to the first retail purchaser, and for the period before it is delivered to the first retail purchaser, all vessel components manufactured by Riviera shall be free from defects due to material or workmanship under normal non-commercial use. On components not manufactured by Riviera, Riviera shall assign to the first retail purchaser the warranties extended by those manufacturers as allowed.

The non-structural warranty for vessels that go into a syndication or shared ownership program expires after the earlier of two-hundred and fifty (250) hours of use or six (6) months from the date of delivery to the syndication or shared ownership program, whichever occurs first.

- Any vessels sold to the first retail purchaser by anyone other than a Riviera dealer listed on http://riviera.com.au on the date of the purchase (Authorised Riviera Dealer), or
- Any item which Riviera has not been notified of within thirty (30) days of the issue becoming apparent.
- Any item which Riviera has not been notified of within thirty (30) days of the issue becoming apparent.
- Owners other than the first retail purchaser
- Any vessels sold to the first retail purchaser by anyone other than an Authorised Riviera Dealer
- Any item which Riviera has not been notified of within thirty (30) days of the issue becoming apparent.

The non-structural warranty for vessels that go into a syndication or shared ownership program expire after the earlier of two-hundred and fifty (250) hours of use or six (6) months from the date of delivery to the syndication or shared ownership program, whichever occurs first.
CRAFTED WITH PASSION

The premium quality of our owner care at Riviera is directly commensurate with the quality of our built-to-last, world-class luxury motor yachts.

Your experience of dealing with Riviera – from the selection of options, electronics and décor all the way through to routine maintenance and repairs – will be undertaken with the utmost care.

Our highly skilled team at our world-class, 14-hectare manufacturing facility on Australia’s Gold Coast consults with internationally acclaimed naval architects, designers and engineers.

Consultation with our global family of yacht owners also plays an important part in our new model development program.

This ensures Riviera continues to exceed the constantly evolving desires of luxury motor yacht aficionados worldwide.

AWARDED FOR EXCELLENCE

Riviera’s vast collection of local, national and international awards is testament to the pride and passion that goes into creating our premium range of luxury motor yachts. These awards span world-best practices in the spheres of education and training, employment, innovative manufacturing techniques, quality of workmanship and pioneering design.

ELECTRONICS AND SYSTEMS

Electronics play an ever-increasing role in the pleasure, performance and safety of luxury boats, and the choice of equipment that is available today is vast. In fact, selecting the equipment that meets your needs can be a very challenging task. Riviera’s experts are here to help; we source the best systems and products from around the world; we help match technology to individual requirements and work closely with Riviera’s global Dealer Network to create systems that maximise your pleasure and safety.

RIVIERA GENUINE PARTS & ACCESSORIES

A passion for quality and good design steers everything we do at Riviera — and this is reflected in our exclusive range of clothing, accessories and decor items. If you love your Riviera, you’ll feel at home with the Riviera Collection: casual yet stylish, comfortable, practical and made to withstand the rigours of boating life.

The Accessory and Decor Collection ranges from a storm jacket to stylish crockery. To make your luxury Riviera or Belize truly your own, we offer a wide choice of fabrics, finishes and color schemes that allow you to customise your yacht. Of course, we also have experienced designers who can advise and assist with your individual selection.

The Riviera Experience

When you buy a Riviera or Belize, you really are joining a family. Through our global network of dealers spanning some 60 countries and every continent of the world, owners of our world-class Riviera and Belize luxury yachts regularly receive exclusive invitations to our renowned educational workshops and seminars, as well as fun-filled social events to celebrate life with like-minded people.

This unrivalled owner support also extends to our special Experience events, where the sheer exhilaration of blue-water cruising can be enjoyed with the reassuring confidence of knowing experienced skippers and engineers are always close at hand.

Of course these are the passages that create very special memories that last a lifetime and, importantly, are often the catalyst for long-lasting friendships.

This is a key part of how we strive to help Riviera and Belize owners to enjoy all the rich and rewarding benefits that only boating can offer.

*Please refer to your Riviera dealer for a detailed list of current inclusions and options for this model.

** Riviera Clarification of Specification

* Length of the hull (Lh) to ISO8666: Includes all structural and integral parts (ie. the moulded length of the hull. It excludes parts that can be removed in a non-destructive manner without affecting the structural integrity of the craft, eg. pulpits, outdrives, driving platforms, rubbing strakes).

** Dry weight represents the estimated minimum weight of a yacht with standard engines and options, no fuel or water on board, no equipment or provisions and no personnel. The stated dry weight may be exceeded.

*** Denotes net tank capacity. For useable capacity do not rely on more than 90% of tank capacity. Actual capacity will vary according to yacht trim and sea state. Speeds are subject to normal weather conditions, fuel and/or water levels, passengers and equipment loads.

The specifications in this document are not complete or definitive and therefore may not be current. Riviera will not be liable (in contract or otherwise) for any loss resulting from the inaccuracy or currency of any information contained in this document.

Specifications may vary with time and by region.
